# How to Use This Book

Break out your crayons or colored pencils.

---

Turn off your phone, tablet, computer, whatever.

---

Find your favorite page in the book. That is the beginning.

---

Start coloring.

---

If you notice at any point that you are forgetting your worries, daydreaming freely or feeling more creative, curious, excitable, delighted, relaxed or any combination thereof, take a deep breath and enjoy it. Remind yourself that coloring, like dancing or falling in love, does not have a point. It is the point.

---

When you don't feel like it anymore, stop.
