WELCOME

There's no one in the world quite like Harry Styles. This singer, songwriter, fashion innovator and rising star actor has carved out a stratospheric career in just over a decade. From tending to a bakery and competing in local battle of the bands competitions in his early days to winning success with One Direction in The X Factor and now taking over the world as a solo artist, Harry's rise to the top has been epic and well-deserved.

In this special activity book, we pay tribute to the magnetic superstar with a series of illustrations you can colour to how you see fit. That's not all, though: there are wordsearches, quizzes and other activities perfect for any superfan. Get ready to enter the wild world of Harry...

THE X FACTOR

A young Harry entered the seventh series of the UK talent show *The X Factor* in 2010. He first competed as a solo artist but shifted gears and became part of the group One Direction.

●VERNIGHT FAME

After their third-place finish in the *X Factor* final, One Direction became instant superstars. They immediately signed to Simon Cowell's record label and jetted off to the US to write their first album.

HATS OFF!

Each 1D member got involved with the songwriting process as their careers progressed. Liam and Louis wrote the most, while Harry still had a hand in many of the group's hits.

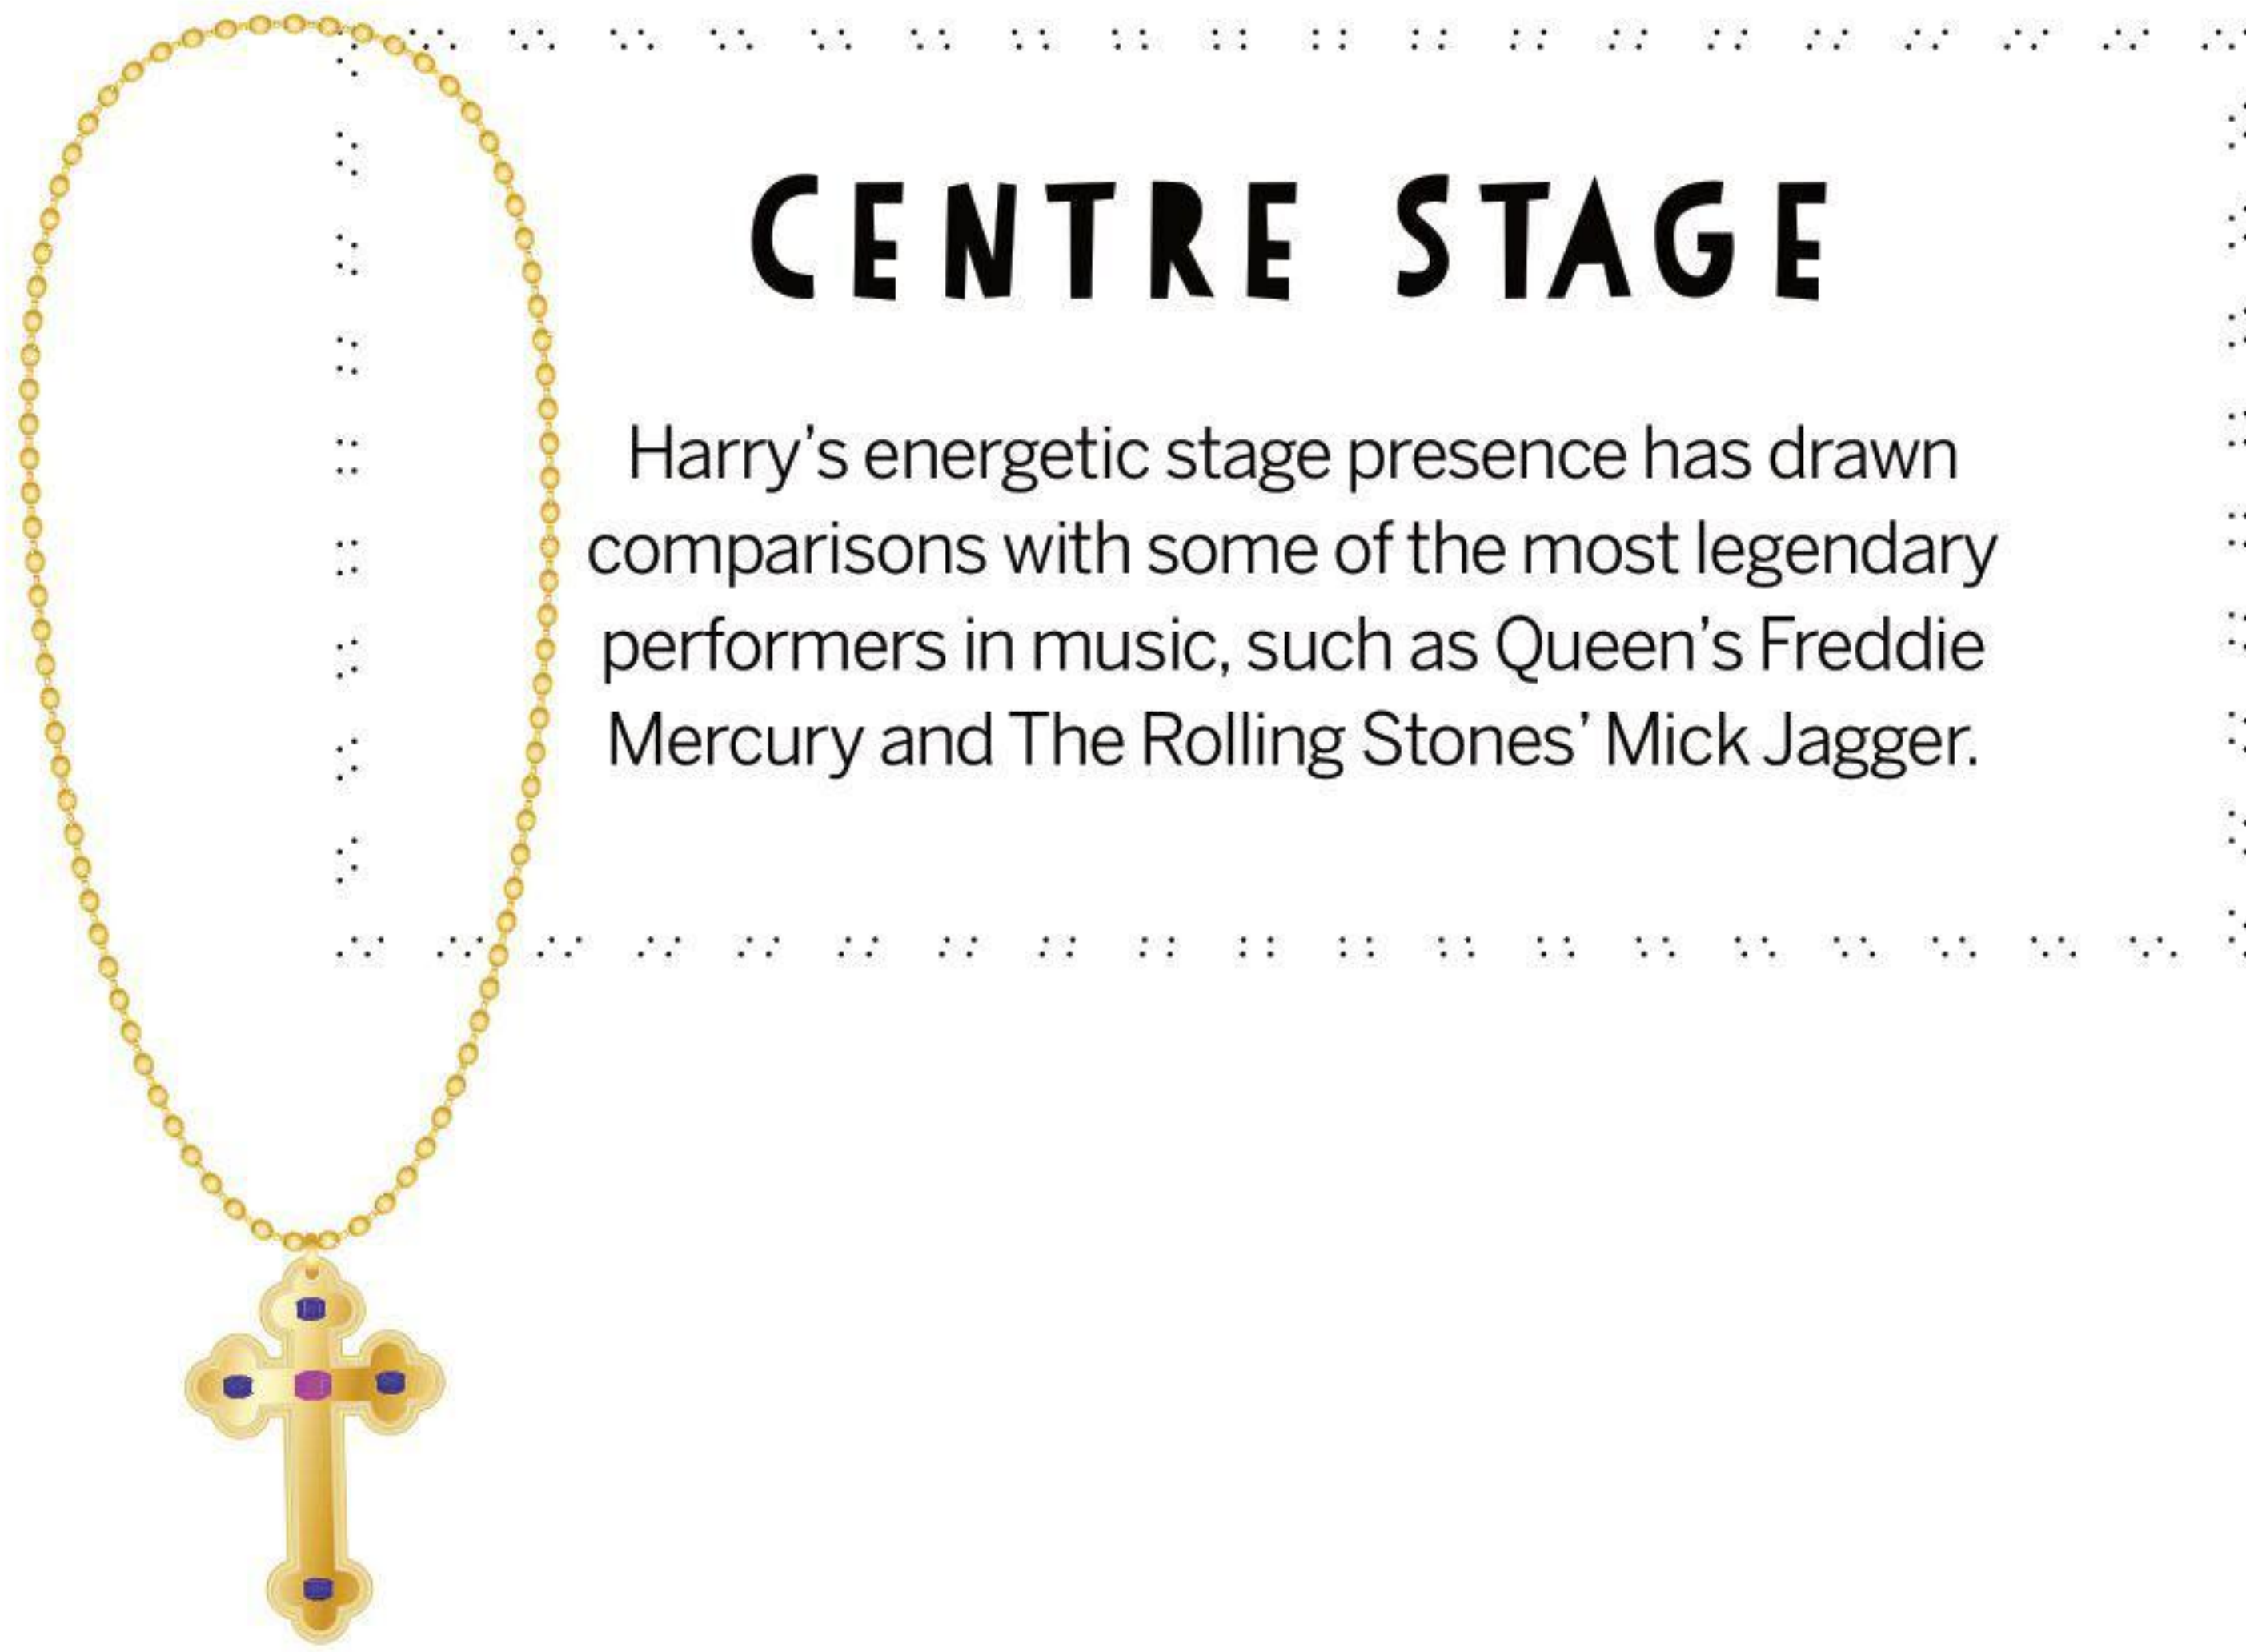

BUTTERFLY

Harry has a giant butterfly inked across his stomach. This could represent transformation, marking Harry's shifting career from 1D band member to a solo artist, fashionista and even actor.

CENTRE STAGE

Harry's energetic stage presence has drawn comparisons with some of the most legendary performers in music, such as Queen's Freddie Mercury and The Rolling Stones' Mick Jagger.

ANCHOR

Harry's anchor tattoo on his lower left arm is actually a cover-up of a previous tattoo. The original spelled the words "I can't change" across the singer's wrist... well, maybe he changed his mind.

MAN OF THE MATCH

Harry is not afraid to show off his sporty side.
In 2014, he took part in Niall Horan's Charity
Football Challenge with his 1D band-mates Liam
Payne and Louis Tomlinson.

HAIR-RAISER

He might have settled into a more regular hairstyle in his late 20s, but Harry spent a lot of time experimenting with his hair early in his career. At its longest, it looked like a lion's mane!

ROSES

A rose is the calling card for the greatest emotion: love. Harry is a romantic and has dated many high-profile names across his life, including Taylor Swift, Kendall Jenner and Olivia Wilde.

TALK OF THE TOWN

Pop stars aren't strangers to the talk show circuit, and Harry Styles enjoys showing off his charismatic personality with regular appearances on the likes of James Corden's *Late Late Show*.

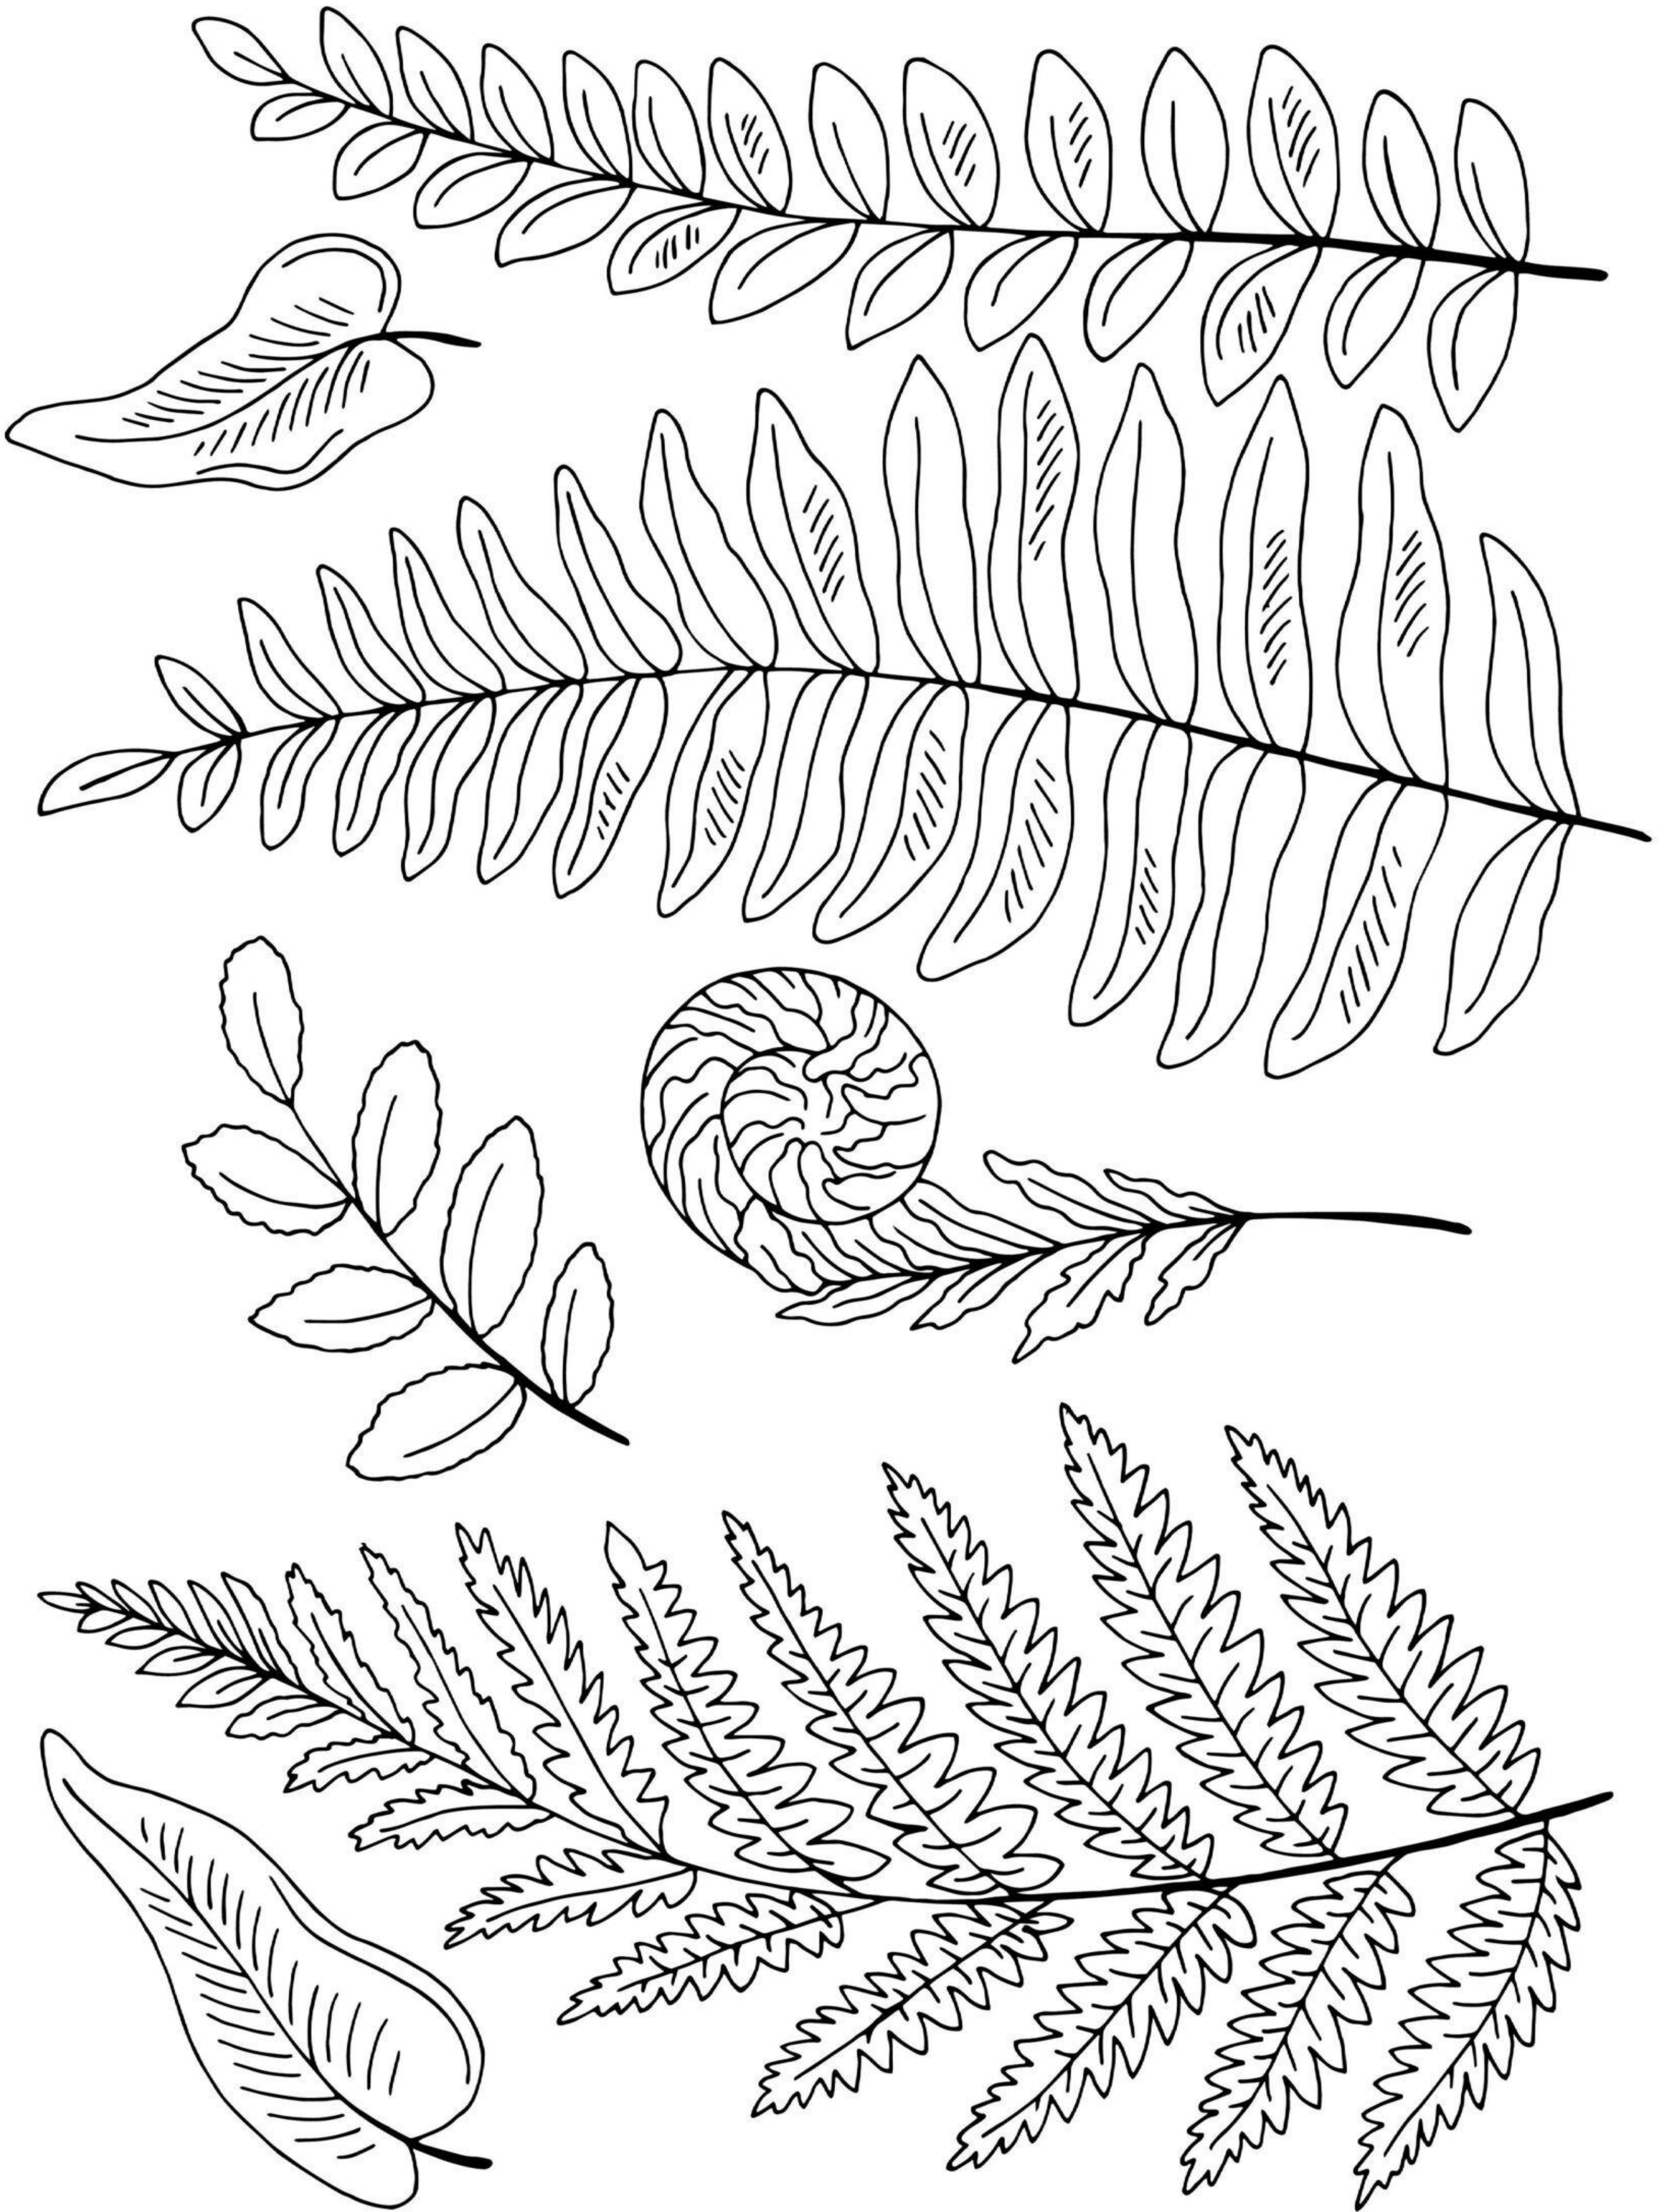

FERN

Harry must be a lover of plants as he has two ferns tattooed across his lower abdomen. These leafy flora tats cover up another tattoo that Harry perhaps felt he outgrew that said "might as well".

HARRY THE HOST

He might be a confident guest on TV talk shows, but Harry is also a magnetic frontman behind the desk. He's sat in for James Corden and hosted the comedy hit Saturday Night Live.

TIGER

Tigers are noble creatures so it's no surprise that Harry chose to decorate a thigh with a homage to this beautiful animal. One of Harry's former 1D band-mates, Zayn, also has a tatoo of a tiger.

HARRY X ELTON

Harry's glam approach to his on-stage presence harks back to the musical legend Elton John. For Halloween 2018, Harry paid tribute to his inspiration by recreating this iconic 1975 baseball outfit.

FASHION ICON

Harry has always had a careful eye for fashion, and when co-chaired the Met Gala fashion show in 2019, all eyes were on him. His gender-fluid gown and earrings were breathtaking.

BOOGIE DOWN

Harry's on-stage outfits never disappoint. For this performance in New York City, he channelled 1970s chic with high-waisted flares and a gender-neutral pink Gucci blazer.

MERMAID

When Harry was asked by Hollywoodlife.com about the inspiration behind his mermaid tattoo, located next to the anchor on his left arm, he cheekily replied, "I am a mermaid."

SUIT UP

Recently, Harry has fully leaned into his love for the jumpsuit. Whether it's a music video or a live show, if Harry is singing, you can expect him to be performing in one of these colourful ensembles.

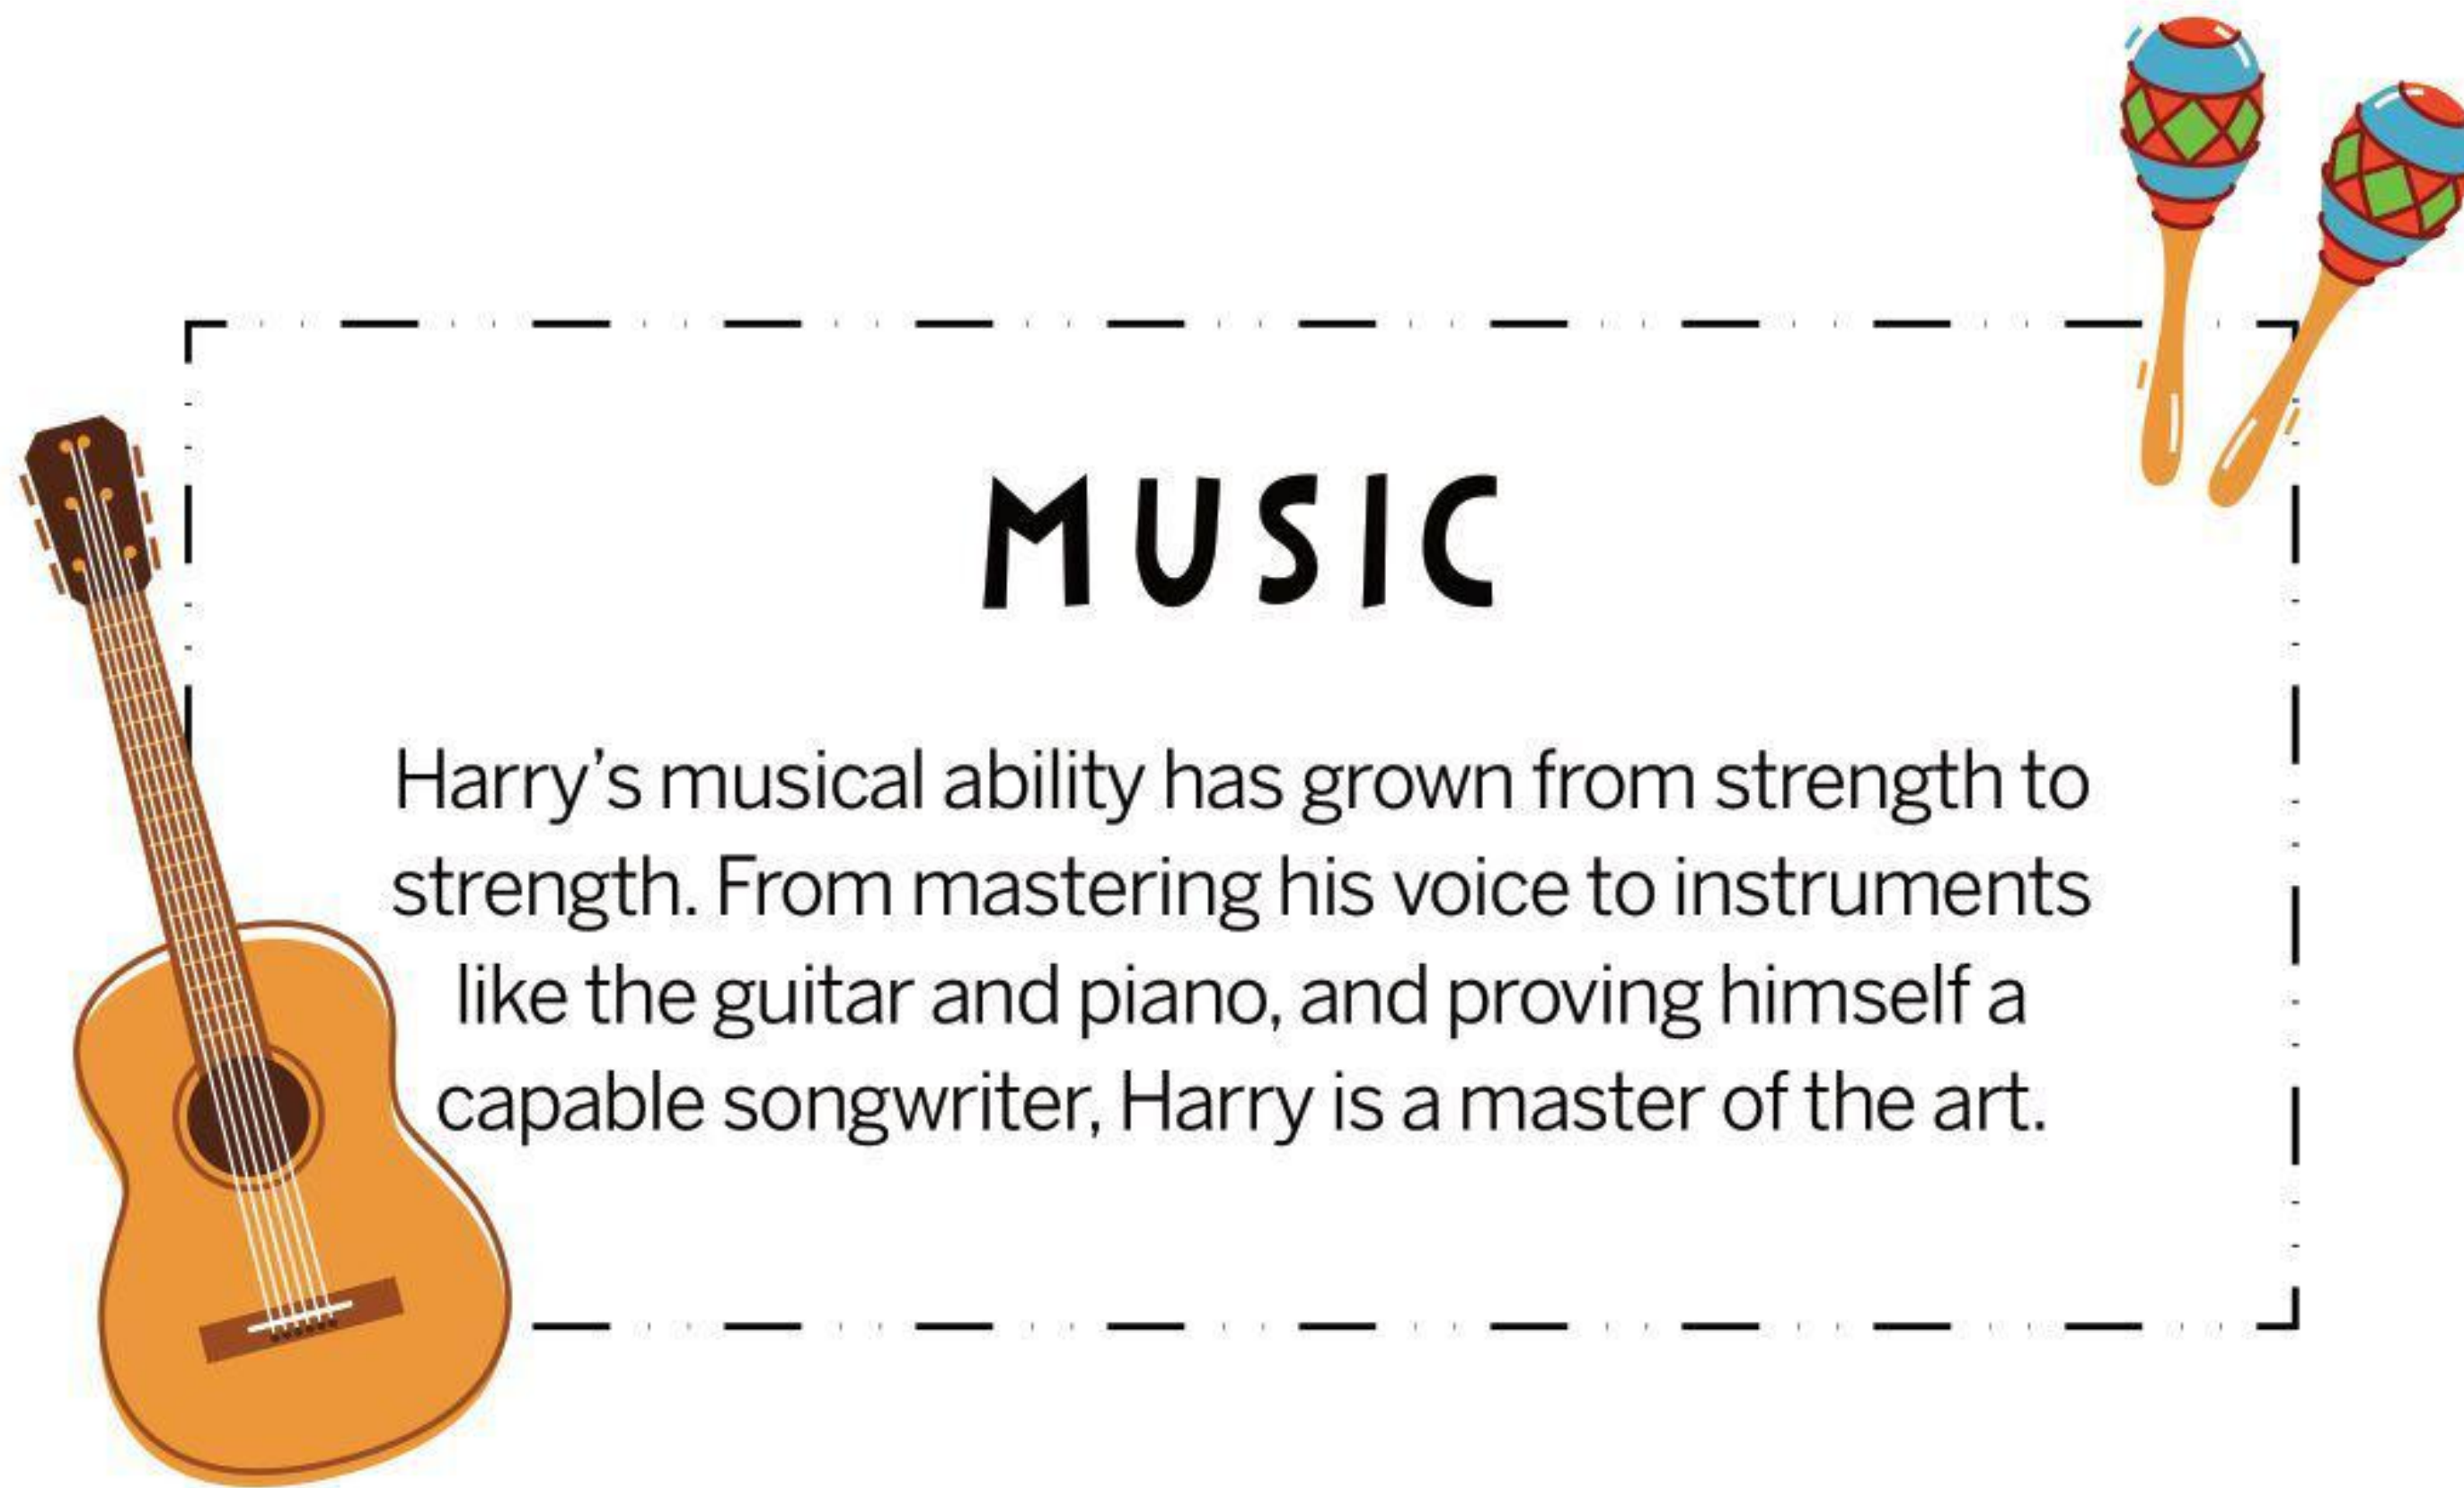

CLOWN AROUND

Harry's music video for his song 'Daylight' was recorded in three hours. Harry and his pal James Corden knocked on random New York City apartment doors to find a place to shoot in.

HOUSE OF HARRY

For the launch of Harry's second album *Fine Line*, Spotify created a listening experience for fans, complete with themed murals. Harry himself put in an appearance, thanking his fans.

FESTIVAL FANATIC

Coachella in California, USA, is one of the world's most popular festivals, and artists are expected to bring their A-game. Harry stunned watchers in his 2022 performance, thanks to this bombastic outfit.

TOP OF HIS GAME

2022 has been a new golden age for Harrymania. He has released an acclaimed new album, *Harry's House*, experimented with his on and off-stage style, and won more starring acting roles.

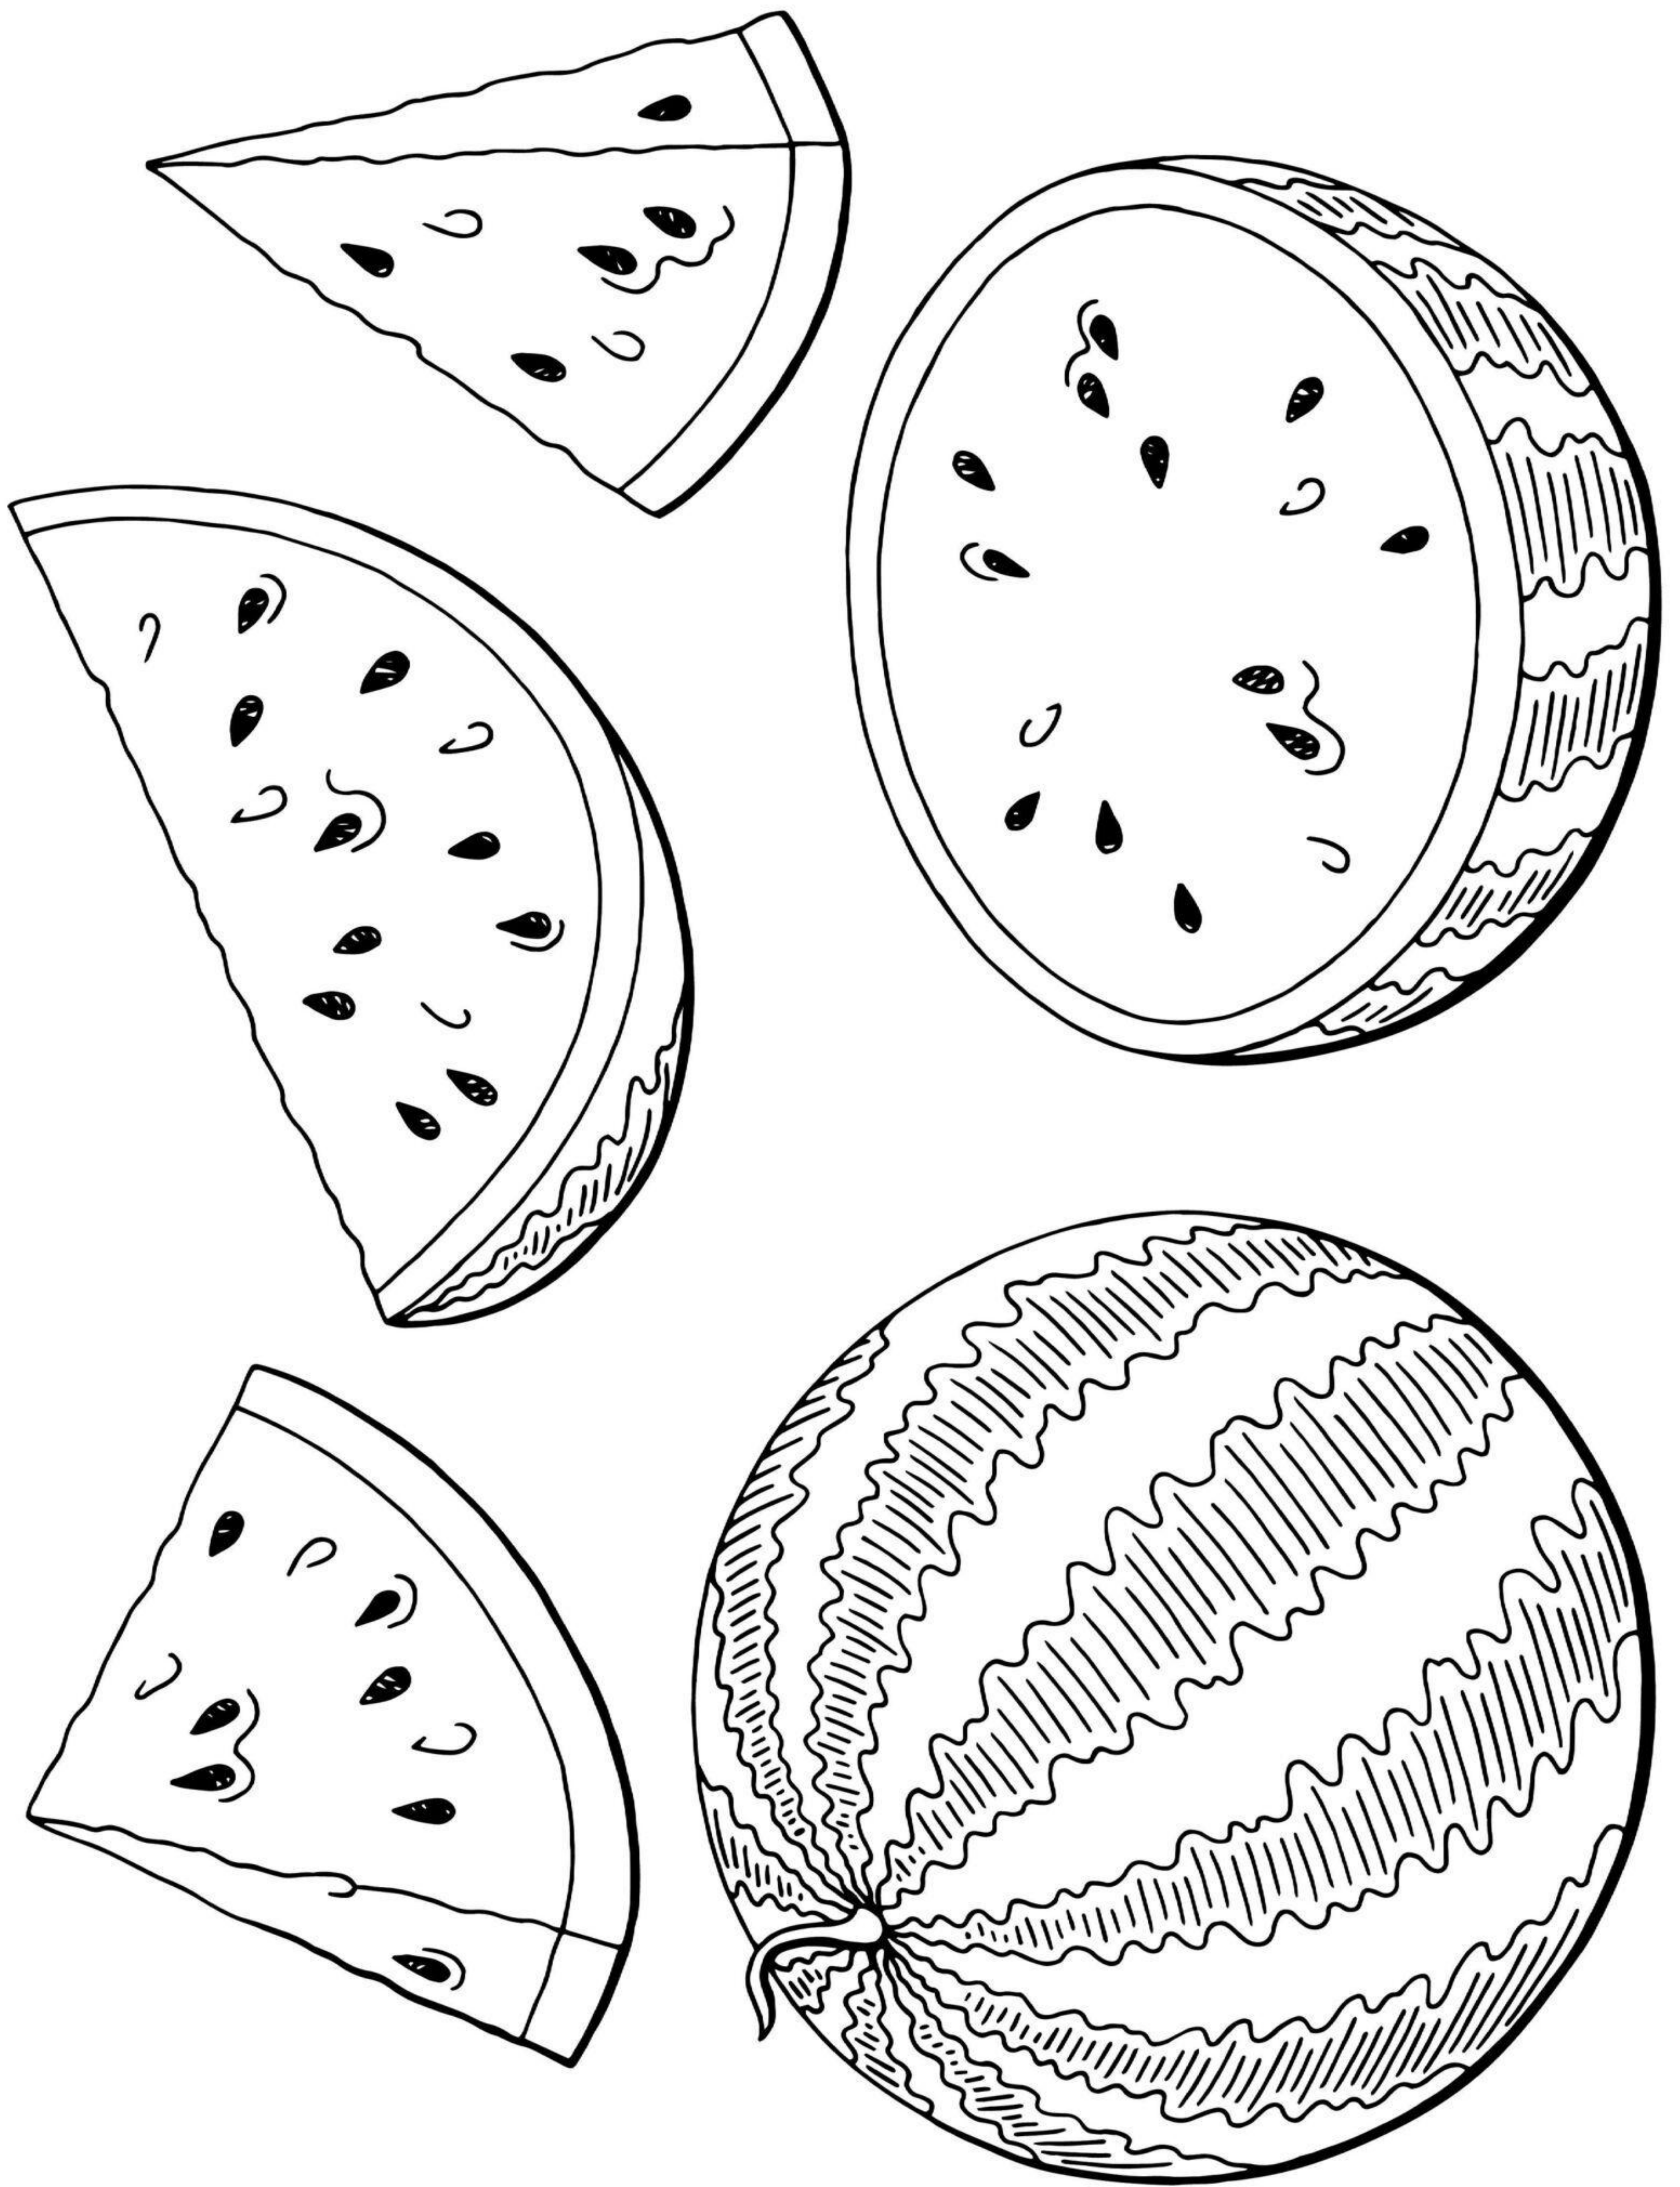

WATERMELON

Reaching the top ten charts of more than 20 countries, Harry Styles' song 'Watermelon Sugar' has been a roaring success. The catchy tune has topped well over a billion streams on Spotify.

SHINE ON

Harry first found his rush for performing music when his band White Eskimo won a 'battle of the bands' competition. "I think I was just a show-off," he told *Rolling Stone*. "I say that like it's past tense."

EAR FOR QUALITY

Harry grew up listening to the likes of The Beatles, The Rolling Stones and Fleetwood Mac, and he points to those bands as influences in his own music along with Shania Twain.

EAGLE

These powerful hunters of the sky are a popular choice of tattoo. Harry's eagle acts as another cover-up for a previous ink on his right forearm that said "things I can".

MOON MAN

In October 2021 Harry hosted 'Harryween' a concert with a Halloween twist. He donned several cool costumes, including this fascinating lunar-themed outfit.

HEADLINE HARRY

Harry closed the BBC's Big Weekend 2022 with a powerful setlist of tracks. He wowed the audience with new hits like 'As It Was' and even brought out a 1D classic: 'What Makes You Beautiful'.

FAN FAVOURITE

Harry has lived in the spotlight for over a decade and has a super-strong fanbase. Like many artists, Harry has a good relationship with his fans, taking the time to interact with them when he can.

ACT THE PART

Harry's acting career began when he was cast in Christopher Nolan's *Dunkirk*. Since then, he's played Eros in Marvel's *Eternals* and is set to have a starring role in *My Policeman*.

SHIP

Old-timey ships make for pretty cool tattoos, especially when you consider that Harry Styles has one on his upper left arm. Harry has said it reminds him of travelling home while on tour.

DRESS FOR SUCCESS

Harry's approach to the clothes he wears is fluid. Put simply: he wears whatever he wants to. "What's exciting about right now is you can wear what you like," he told *Variety*.

BIRDCAGE

On Harry's upper-left torso is a tattoo of an empty birdcage. This ink was one of Harry's earliest tattoos and was first spotted in 2012. No one but Harry really knows what it symbolises.

ALBUM OF THE YEAR

In August 2022, *Harry's House* won Album of the Year at MTV's VMA awards. "I know this is a fan-voted award [...] I wouldn't be holding this if it wasn't for you," Harry said in his speech.
