# How to Use This Book

Break out your crayons or colored pencils.

---

Turn off your phone, tablet, computer, whatever.

---

Find your favorite page in the book. That is the beginning.

---

Start coloring.

---

If you notice at any point that you are forgetting your worries, daydreaming freely or feeling more creative, curious, excitable, delighted, relaxed or any combination thereof, take a deep breath and enjoy it. Remind yourself that coloring, like dancing or falling in love, does not have a point. It is the point.

---

When you don't feel like it anymore, stop.

# About the Artist

A career journalist, Christina Knott spent most of her adult life expressing her creativity through the written word. But when she took a leave of absence to care for her newborn baby, she rediscovered her childhood passion for illustration, and soon signed with Blue Star to produce her first coloring book, *It's Owl Good*. She is thrilled that her illustrations are helping to inspire others to celebrate their own inner artists.

Christina lives in Corpus Christi, Texas, with her husband and child.
