Thank You

By purchasing this book, you have become part of a large community of people seeking to be inspired...seeking their “muse”.

I am one of those people.

My muse has eluded me my whole life.

Success in art has been hard-won. Like you, my friends love my work, and rarely did the outside world take note.

To learn to draw people I have attend

books and reference photos, worked unpaid internships, pestered “professionals”...and in the end, it turns-out, I just needed to sit-down and draw.

In January 2015, I started the TUMBLR blog, @PoseReference and posted my goal of 10,000 poses....

...and we “trended”.

April...May...June...July...

20,000 followers. Fan-mail. People throwing out questions, like, “Will you draw (insert idea here)?”, “How do I draw hands?”, “When will you publish a book?”

...a book? ...and we come to now.

Watch**POSEmuse.com** for updates.

Upcoming books:

Poses for Artists Vol. 2: Standing Poses

Poses for Artists Vol. 3: The rest of 2015

Vol. 4: Hands and Couples

Vol. 5: Perspective and Guns

Vol. 6: Furrries and Creatures

Vol. 7:???

This ongoing project is completely possible because of the support we get from all of you, so, thanks.

All the best, Justin Martin Feb 2016
